### Anaphylaxis

Students and staff members in our school have severe peanut allergies. Thank you for your understanding and co-operation as a result of the request to avoid sending peanut and nut products to school. There has been a reduction in the number of peanut and nut products brought to school in snacks and lunches, and we would like to thank you for continuing to avoid sending these products to school with your child.

Since even a minute amount of the allergic substance can cause a life-threatening reaction, keeping it out of the classroom is our best method of preventing a serious reaction at school.

Please refrain from bringing food items containing peanut or nut products to school.

Thank you again for your co-operation in this important issue.

### Important Immunization Information

Students who have received a letter from York Region Public Health regarding immunization are reminded that if they do not have the immunization updates that starting Dec 1<sup>st</sup>, they will be subject to a school suspension from the York Region Public Health.

For more information call York Region Public Health 1-877-794-1880 option 1 or fax to : 905-895-6066

## **Remembrance Day Assembly**

There will be two assemblies held on November 11<sup>th</sup> to respect Remembrance Day.
